Dear Prospective Student:

Congratulations! You have shown a personal interest in perfecting your English through *American Language Programs*! You have taken the first step toward affecting your future through the improvement of your ability to speak, read and write the English language!

Our programs are **unique** in that *ALP* offers to you, an Arizona, California, New York, Massachusetts, Florida or Vancouver, British Columbia, CANADA homestay with your teacher's own family; and, most importantly, private lessons with your same University-trained teacher who will also facilitate your enjoyment of cultural and sport activities in your chosen location(s). You may choose a personalized, needs-based, English plan (Specialized Vocabulary) that is tailored to your individual requirements. Every student improves by the end of his stay. Moreover, you learn more about the American way of life through your teacher as well as his/her family. This cannot be experienced when you attend group English lessons found in more traditional language schools. Additionally, side-trips to other scenic sites or cities can be provided through the assistance of *ALP* and your teacher at a minimal, added cost (see fee schedule for trip possibilities). Sounds interesting? Then, we ask only the following from you:

Please fill out the enclosed **Information Form** and return it **promptly** to *ALP*. **Indicate the time/dates (start date and completion date) you wish to study in the location you select: Boston, Massachusetts; New York/New Jersey; Orlando, Florida, Palm Beach, Florida, or Miami, Florida; Phoenix, Arizona; Los Angeles, CA, San Francisco, CA, and, Vancouver, B.C., CANADA.** Also, indicate the **level and duration of weeks** you intend to study. You may even elect to study in more than one state while in our program. Imagine living and studying in Arizona as well as Massachusetts or Florida! In addition, please complete the **Placement Pretest** faxing that back to us at the same time as your **Information Form**. This will enable us to level you and to select the proper study books for your particular needs. You may also conveniently download these forms and find other information about our various programs on our website: <http://www.alp-online.com/download.htm>

By return mail or FAX you will receive a contract and further information concerning your booking. **Please sign the contract and return it to us promptly. Finally, to secure your dates of study/homestay, you will need to send the full tuition payment by bank wire transfer at least 2-months prior to the date of your arrival. (See Fee Schedule (p.2) for bank address and routing/account numbers.)**

Don't delay! Spring has arrived and most days are bright and sunny even in cooler temperatures! Arizona, California, Florida and Massachusetts offer *outdoor summer* recreation and excursions all year long with winter activities in our Massachusetts region! In fact, you can look forward to a myriad of new activities in all locations during any month of the year. The scenic playgrounds that await you in each of our states will amaze you. (See website for location information and links to interesting activities and events) Reservations and spaces are limited! Book early to reserve your study/homestay in America! Live an American life in the home of your own, private teacher!

I look forward to your reply and meeting you personally during your stay.

Best wishes,

Dr. Marlena A. Hesse-Karami, Director & CEO
